

Some *truths* can't be solved.
They can only be *buried*.

"A bold, emotionally charged take on the great detective.
The ending left me breathless." — The London Gazette

"You'll turn the final page with your heart pounding — and
your mind racing to piece together the truth." — Victoria Price

In the smoky streets of Victorian London, Dr. John Watson finds himself drawn deeper into the enigmatic world of Sherlock Holmes, not just as his confidant and partner in crime-solving, but as something far more intimate. When a particularly dangerous case involving political blackmail threatens to expose their clandestine relationship, Watson must balance his loyalty to Holmes with the strict moral codes of the time. Every step they take toward uncovering the truth risks revealing their own.

Elementary, My Dear...

Ashlyn Ossi

About the Author

Ashlyn Ossi is a storyteller with a passion for weaving mystery, romance, and historical intrigue into unforgettable tales. A lifelong admirer of Sir Arthur Conan Doyle's work, she brings a fresh perspective to the world of Sherlock Holmes, exploring the unspoken connection between Holmes and Dr. John Watson. 'Elementary, My Dear...' is her boldest work yet, blending sharp deduction with a secret romance set against the foggy streets and strict social codes of Victorian London.
